Main Feature: auto ON/OFF function of the tablet.

Techair folio stand cases are carefully designed to ensure great protection and full access to features. The exterior material is tough and durable whilst the soft touch interior lining offers an abrasion free protection for your screen.

The folio stand cover features auto ON/OFF function, which wakes up the tablets when opened, then shuts it down when closed. The folio stand, as the name suggests, provides multiple angles for viewing plus a comfortable angle for typing
